

# Scott County Sheriff's Office

*LUKE W. HENNEN, SHERIFF*

## Slalom Course Rules and Regulations

---

1. Courses must be less than 900' in length.
2. Course buoys and floats must be submerged at least 4' under the surface of the water when not in actual use. Buoys may also be removed when not in use, in lieu of submerging them.
3. Slalom courses may be used from Sunrise until ½ hour after sunset. Buoys and floats must be removed or submerged before ½ hour after sunset.
4. If the course is occupied by other lake users (fishermen, boaters, swimmers, etc.) it may not be used until they clear the area.
5. Slalom courses must be placed in the location in which they are permitted for and cannot be moved without pre-approval from the Sheriff's Office.
6. Slalom courses must not constitute a hazard to navigation, or cause a disruption to normal boat traffic.
7. Permits are valid for 1 year. Each permit holder will have to re-apply each year, at which time the Sheriff's Office will review the course and any public complaints or issues.
8. Permits are subject to change or revocation at any time, at the discretion of the Sheriff's Office.
9. Permit application shall include a diagram, overlaid on a satellite map, showing the exact location of the course, in relation to the shore.
10. All applicable State Laws, State Rules and Local ordinances must be observed and will be enforced.
